

# VISA

For those who will travel directly to Jeju, not connecting at Incheon or Seoul, there is a very flexible entry/departure policy, which allows visitors to stay without a visa for up to 30 days, except for those who are traveling from the following countries: Afghanistan, Cuba, Ghana, Iran, Iraq, Kosovo, Nigeria, Macedonia, Palestine, Sudan, and Syria.

For those who will connect at Incheon or Seoul must obtain a valid visa for a legitimate entry to Korea. Any foreign visitors wishing to enter the Republic of Korea must have a valid passport and obtain a Korean visa before coming. But people of 93 countries who want to visit Korea temporarily are permitted to enter without a visa according to visa-exemption agreements, or in accordance with principles of reciprocity or national interest.

## Application for Visas

1. Visitors who plan to stay in Korea for longer than 90 days must obtain a visa before entering Korea.
2. Nationals of those countries or regions with which Korea has signed a visa waiver agreement can enter without a visa, on the condition that they do not engage in remunerative activities during their stay.
